Public Comments at Board Meetings

ORVA Board Meetings are meetings for board members that occur in public, they are not meetings of the public. Being a virtual school, meetings are held monthly online in the Zoom webinar platform. Participants have the ability to use the Q&A feature to send questions and/or comments directly to the members of the board during meetings. The webinar format permits board members to conduct their business while allowing for public interaction during portions of the meeting where it makes sense to the discussion. The public comment portion of the meeting provides an opportunity for constituents to directly address the Oregon Virtual Academy Board of Directors.

We encourage public comments at all regular meeting sessions (not work sessions or executive sessions) and ask that you respectfully follow the meeting guidelines below:

- Public Comment occurs from approximately 6:45 to 7:00 p.m. at the beginning of monthly Board Regular Session meetings, which occur on the fourth Tuesday of each month.
- Each person who signs up to speak should arrive no later than 6:30 PM.
- During the 15-minute Public Comment period, each registered speaker will have up to 3 minutes in which to address the Board.
- If you have hand-outs or materials for the Board, please present them to the Board's Executive Assistant who will distribute them to the Board members after the meeting.
- The Board Chair has full discretion over the Public Comment period, including the ability to manage speaking time to allow for additional comments.
- No inappropriate comments or behavior will be tolerated. Inappropriate behavior is defined as attempting to engage individual board members in conversation, insults, obscenities or profanity, attacks against any person in their personal capacity, and/or physical violence or threat thereof.
- Try to resolve any issues with teachers, school principals, direct supervisors, Executive Director, or other school personnel before bringing the issue to the board.
- Recognize that the board does not discuss personnel matters at board meetings. Do your homework and understand the basic facts of the issue before addressing the board. Prepare an outline and be organized.

Process to request a speaking slot:

- There are no public comment during Board Work Sessions

Guidelines for addressing the board:

- When your name is called, unmute your microphone and turn on your camera (optional). Speak into the microphone, giving your full name and title (only if employed at ORVA).
- Remember that comments are limited to three minutes.
- Be respectful of the board when speaking.
- Be ready to respond to questions from the board if asked.
- Address your testimony to the board members, not the audience.
- The board's goal for the public comment period is to hear your concerns, comments and opinions.
