6) When you get to Documents, it will ask you to upload these items:

- ✓ Proof of residency
- ✓ Proof of age
- ✓ Vaccination records
- ✓ Letter of intent

You **DO NOT** upload these items, as you are registering through your district and are not required to provide us with any documents

Since the system requires an upload to move forward, we created a document to upload as a place holder so you can move forward. [HERE](#) is a link to that document. You will need to download then upload the document to each section that says it requires a document to be uploaded. You can also upload any blank page or any document of your choosing just so you can move forward in the registration process.
