

LEGO MOC SPONSORSHIP OPPORTUNITY

PUBLIC EXPOSITION:

**May 2-3
2026**

Oregon Convention Center

Portland, OR

The amazing creations by LEGO Artists called MOCs, meaning “My Own Creation”, are fan-made creations using LEGO bricks and are not the official LEGO sets you can purchase in stores. The Bricks Cascade LEGO Fan Expo is an annual event where creators get to display their MOCs fitting many different categories.

COOL

Calling all LEGO artists!!

EVA is offering to sponsor up to five students that would like to display their MOC at the upcoming Bricks Cascade LEGO Fan Expo in May. We will pay the entry fee for the selected participants in exchange for them displaying a sign at the event saying that their MOC is sponsored by EVA.

RULES AND GUIDELINES

Applicants must be currently enrolled 6th-12th grade EVA students with good attendance and passing grades and/or adequate course progress.

Participants granted a sponsorship must agree to attend the event to set-up and breakdown their MOC.

EVA is not responsible for the cost of the MOC supplies or any associated travel for attending the event, we are covering the cost of the registration fee for the student and one adult only.

Participants must agree to display the sponsorship sign provided by EVA for the duration of the event.

Participants agree to have their name and picture of their MOC shared on the school's social media accounts.

Themes for creations include: Art, Battle, Bionicle, Castle/Pirate, Classic, Cosplay, Jurassic Park, Mecha, Microscale, Mixed, Planes/Trains/Automobiles, Photography, Pop Culture/Superhero, Post-Apocalyptic, Space, Star Wars, Steampunk, Technic, and Town and Country.

Based on the number of applicants, we may not be able to approve all sponsorships.
